users from 40+  
countries

## VESTINDA FOR TRADING LEADERS

Earn extra income from your trading knowledge.

Boost your community engagement. Enhance their skills further with a hub to create, backtest and automate their own trading strategies

### WHY JOIN?

1. Earn up to 35% recurring commissions for each referred customer, forever.
2. Have a strategy that you want to sell? Set a price, publish it in the marketplace, and get paid when others use it. Vestinda's commission is 20%, with the first 3 months commission-free.

### HOW IT WORKS?

1. **Apply** and get selected to join our program for Trading Leaders.
2. Once approved, we craft a tailored partnership.
3. **Create** and test your trading algorithm using our no-code easy-to-use **interface** and **100+ technical indicators**. Do you have an advanced strategy in mind? Our technical team can code it for you.
4. **Publish** your algorithm in the **strategy marketplace** and get paid each time other traders use it.
5. **Share** the algorithm with your community.
6. **Update** your strategy constantly according to market conditions. Help your community grow and protect their portfolio during bear markets and earn with your trading skills.

### OTHER TRADING LEADERS RESULTS WITH VESTINDA

- 25% increase in paying users in your community
- 30% more engagement in your community
- 3x more webinar viewers
- thousands of organic views through social media and co-branded PR

### GIVE MORE TO YOUR COMMUNITY

- Access to a **practice hub** that enables traders to create and try various strategies; no programming skills are needed.
- **Opportunity to learn** and test out their trading ideas with paper trading and backtesting.
- Traders can replicate and automatically execute your trading strategy in their own account.
